

Brand: Ranger

Model: RTB-13DC

Description: 13-Drawer Super-Wide Tool Cabinet On Casters

This Tool Chest is Pure Ranger

Ranger has developed the RTB-13DC 13-Drawer Super-Wide Tool Cabinet on Casters, along with the entire Super-Wide series, to outlast and outperform the rest. Top-notch materials, rugged construction, superior design, generous space, tons of features and killer looks are all part of what makes these tool chests pure Ranger. The RTB-13DC is Ranger's top-of-the-line tool cabinet and it features 5 standard-width drawers; 5 extra-wide drawers; 1 standard-width, extra-deep storage drawer; 1 extra-wide, extra-deep storage drawer and 1 immense top drawer that measures over 3 ft wide! The proof of quality is in the weight of the chest, and this colossus weighs a full 285 lbs. without a single tool in it. That's why we've included the 4 heavy-duty casters to provide this enormous box with excellent maneuverability, regardless of floor type. The RTB-13DC also comes equipped with a protective lacquered wooden top, turning your new 13-drawer tool cabinet into a convenient mechanic's mobile workstation. Ideal for well-established garages or as the centerpiece of your brand new workshop. And if you ever need even more storage, safely stack the RTB-8DT or RTB-8D on top. That's the beauty of the entire Ranger tool storage system: the superb modular design allows your storage space to grow at the same rate as your tool collection.
