Model: RTB-7DC

Description: 7-Drawer Tool Storage On Casters

Convenient Mechanic's Mobile Workstation

This RTB-7DC is just thing to get your workspace in order. This robust unit sports 5 sorting drawers for your standard tools and 2 extra-deep storage drawers for your larger, more exotic equipment. Constructed out of exceptional materials, this industrial tool chest weighs a hefty 149 lbs. without anything in it! That's why we've included the 4 heavy-duty casters to provide this ample box with excellent maneuverability, regardless of floor type. The RTB-7DC also comes equipped with a protective rubber top mat, turning your new 7-drawer tool cabinet into a convenient mechanic's mobile workstation. Perfect for a well-established garages or as the centerpiece of your brand new workshop. And if you ever need even more storage, safely stack the RTB-2D, RTB-9D or RTB-10D on top. That's the beauty of the entire Ranger tool storage system: the superb modular design allows your storage space to grow at the same rate as your tool collection.
